- Embroidery penetrates all layers of the suit.
- Logos are **NOT** able to be embroidered across the chest / zipper.
- Above image and prices showing are **estimated pricing** and final pricing may vary based on your final logos, locations and sizes.
- On Nomex suits, our standard practice is to use Fire-Retardant thread, however in some cases customers may request our 'normal' thread selection for closer color matching purposes and we are not liable.
- Please check your series issued requirements regarding any safety guidelines and requirements in regards to race gear and including customization rules. We are **NOT responsible or liable for any legality issues** with the series, teams, sponsors, tracks, etc.
